

**MEMBERSHIP REQUIREMENTS**

To become a member of Melton Bushwalkers Inc. (MBI) the following conditions must be met:

1. The first walk attended must be one graded easy, easy/medium or medium as shown in our walk program. The reason for this is to assess your fitness level, and also determine if you are fit enough to attend harder grade walks. If the walk is graded easy or easy/medium, you can attend the walk without contacting us. If the walk is graded just medium, you must first contact the walk leader to see if the walk is suitable for your fitness level. Contact our club by email; [meltonbushwalkers.org.au/](mailto:meltonbushwalkers.org.au) to get the walk leaders contact details.
2. Three walks must be taken before you can be considered for full membership. Until three walks are completed, you are considered a temporary member. The three walks must be taken within 12 months from the date of your first walk with us.
3. If you handle the easier walks without problems, you can then progress to the harder walks, if you wish.
4. MBI reserve the right to refuse admission to anyone considered not fit enough for the published walk or not suitably prepared.
5. Thongs and sandals are not suitable footwear for any walk with MBI. Runners are okay for beach walks and easy walks, but all other walks require footwear with good tread and ankle support.
6. The fee to attend the first walk is \$5 and likewise for the second walk. The balance of the membership fee is due on the third walk attended.
